ABOUT V.S. MANI CENTRE FOR AIR AND SPACE LAW

VSMCASL was established in 2019 to engage in various ways in shaping the emerging discourse in the field of Air and Space Law. The vision of the Centre is to engage in improving the existing legal and policy framework for facilitation and regulation of a safe, secure, affordable and sustainable aviation and to contribute in the shaping of legal framework for the future of humanity that lies in space.

The Centre is established with the following objectives:

- To provide a platform to the students to develop their research skills in the field of Air and Space Law.
- To encourage trans-disciplinary research on issues concerning Air and Space Law.
- To contribute, through research, in Law and Policy making in the field of Air and Space Law at both international and national level.
- To organise seminars, conferences, workshops, round tables etc. with the aim to provide a platform to facilitate deliberations amongst the stakeholders on the various issues confronting Air and Space Law and to contribute thereby in the ongoing discourse.
- To provide research insights to defence and security forces pertaining to the field of Air and Space Law.
- To collaborate with other universities and research institutions to facilitate exchange of faculty and students to understand and develop mutual perspectives and contexts regarding the future prospects of Air and Space Law.
- To identify the training needs of various stakeholders and design short term and long term courses in order to impart training in the field of Air and Space Law.
- To engage with stakeholders within the industry about the practical challenges and the feasibility of implementing regulations and policies in Air and Space Law.
- To create a network of practitioners, researchers etc, active in the field of Air and Space Law.
- To create awareness about the niche field of Air and Space Law through its various activities like essay competitions, quizzes etc.

ABOUT GNLU AIR AND SPACE LAW ACADEMY- GASLA

States are exhibiting an increasingly keen interest in augmenting investments in developing their capabilities and competencies in the realm of both air and space activities. Non-State actors, including private investors, are no exceptions to this emerging trend. It is becoming evident that a nation's supremacy in air and space will define international relations in the years to come. Recognizing this potential, the VSMCASL organizes 8th Edition of GNLU Air and Space Law Academy (GASLA) as a platform for engaging in discourse on contemporary legal issues in the field of air and space.

Encouraged by the overwhelming success of the previous seven editions, VSMCASL is pleased to present before you the 8th Edition of GNLU Air and Space Law Academy (GASLA) 2023. The 8th Edition is scheduled to be organised from 21-27 September 2023.

AIMS AND OBJECTIVES

- To acquaint participants with various aspects relating to the safety and security of aviation and space activities.
- To enhance understanding amongst the participants of the various principles enshrined in the international instruments meant for regulating air and space law.
- To create awareness amongst participants about recent trends in civil aviation and the militarization and commercialization of outer space.
- To enable the participants to understand the various dispute redressal mechanisms in air and space law and their efficacy.
- To facilitate discourse amongst stakeholders within the industry about the practical challenges and the feasibility of implementing regulations and policies in air and space law.
- To familiarize participants with a country-specific approach with regard to Air and Space law.
- To enable participants to appreciate the challenges in developing national aviation and space policy.
