

NLIU MODEL UNITED NATIONS CONFERENCE 2026

The logo features a central blue circle with a white map of India. Overlaid on the map is a white stylized 'NLIU' monogram. This central emblem is surrounded by a wreath of blue laurel leaves. The entire logo is set against a dark blue background with a faint grid pattern.

University, Bhopal

ABOUT NLIU BHOPAL

The National Law Institute University, Bhopal (NLIU), is a beacon of excellence in legal education in India. Established in 1997 by the State of Madhya Pradesh, it holds the distinction of being the second National Law School to be established in the country.

NLIU's vision is to become one of the finest centres for legal education, research, and training in the world. Its mission is to develop and nurture the intellect of its students, empowering them to contribute to the betterment of the nation and humanity through the steadfast application of law and justice.

Recognised by the University Grants Commission (UGC) and the Bar Council of India (BCI), NLIU is consistently ranked among the top law universities in the nation. The university offers a comprehensive range of undergraduate, postgraduate, and doctoral programs, fostering a vibrant academic environment on its sprawling campus on Kerwa Dam Road.

With a rich tradition of academic rigour, critical thought, and a thriving culture of mooting and debate, NLIU is the ideal institution to host a conference dedicated to the nuanced arts of diplomacy, international law, and policy-making.

ABOUT CRIL & MANTHAN

The NLIU-MUN is proudly hosted under the aegis of NLIU's premier student-run academic centres, the Centre for Research in International Law (CRIL) and Manthan.

CENTRE FOR RESEARCH IN INTERNATIONAL LAW (CRIL)

CRIL is a dedicated student-run centre established with the singular aim of increasing awareness and fostering a deeper understanding of international law and policy among students. As the official Bhopal Chapter of the International Law Students Association (ILSA), CRIL creates an active and inclusive atmosphere for debate and research. It serves as a vital interface between students and the complex domain of international law by organising insightful lectures, panel discussions, and conferences on pressing global issues.

MANTHAN: CENTRE FOR KNOWLEDGE & POLICY DISCUSSION

Manthan is NLIU's dynamic forum for dialogue and deliberation on contemporary issues. It was created to foster an open environment for the free exchange of opinions, thoughts, and ideas, playing an instrumental role in bringing "burning issues to the conscience of students". Manthan champions the spirit of inquiry, furthering socio-political research and heightening legal and political awareness across the university community.

ABOUT MODEL UN

A Model United Nations (MUN) is an academic simulation of the United Nations where students step into the shoes of diplomats. Participants are assigned a country, organisation, or political figure and are known as “Delegates.”

In committees, delegates are challenged to research, debate, and collaborate to solve some of the world's most complex problems.

A MUN conference is not just a debate. It is a comprehensive exercise in:

- **Diplomacy & Negotiation:** Learning to build consensus and form alliances.
- **Research & Analysis:** Deep-diving into global issues and national policies.
- **Public Speaking:** Articulating ideas with clarity and confidence.
- **Critical Thinking:** Developing innovative solutions to multifaceted problems.
- **Rules of Procedure:** Understanding the formal processes that govern international bodies.

By participating, delegates gain a profound understanding of international relations, diplomacy, and the inner workings of the United Nations, all while building skills that last a lifetime.

ABOUT NLIU MUN '26

Welcome to the **Sixth Edition** of the National Law Institute University Model United Nations.

From January 2nd to 4th, 2026, NLIU Bhopal will once again become a global stage for the leaders of tomorrow. Building on the legacy of five successful conferences, NLIU-MUN 2026 is uniquely positioned at the intersection of law, policy, and diplomacy.

As a conference hosted by one of the nation's premier law universities, we are dedicated to fostering a simulation that is not only diplomatically engaging but also legally rigorous.

In an era defined by geopolitical shifts, humanitarian crises, and unprecedented environmental and technological challenges, the mechanisms of international law are more critical than ever.

We invite you to join us for three days of intense deliberation, strategic negotiation, and innovative problem-solving. Prepare to challenge your assumptions, defend your policies, and collaborate on solutions to the world's most pressing issues.

COMMITTEES

We are simulating six dynamic and engaging committees for NLIU-MUN 2026. Agendas will be released shortly.

UNITED NATIONS GENERAL ASSEMBLY – DISEC (DISARMAMENT AND INTERNATIONAL SECURITY)

**AGENDA: ADDRESSING THE PROLIFERATION OF AUTONOMOUS WEAPONS
SYSTEMS WITH A SPECIAL EMPHASIS ON ENSURING HUMAN
ACCOUNTABILITY IN WARFARE.**

DISEC is the First Committee of the UN General Assembly. It holds a universal mandate, with all 193 UN member states represented, to address the most critical issues of international peace and security. This committee deals with all matters of disarmament, arms control, and non-proliferation, from nuclear weapons and weapons of mass destruction to the regulation of conventional arms and emerging military technologies.

As our largest committee, DISEC is the cornerstone of multilateral diplomacy, offering a fantastic forum for both new and experienced delegates to engage in large-scale debate, draft comprehensive resolutions, and navigate the complexities of global security policy.

COMMITTEES

UNITED NATIONS HUMAN RIGHTS COUNCIL (UNHRC)

AGENDA: ADDRESSING HUMAN RIGHTS VIOLATIONS IN THE SAHEL REGION
WHILE EXAMINING THE ACTIONS OF STATE AND NON-STATE ACTORS IN
LIGHT OF INTERNATIONAL LEGAL FRAMEWORKS

The UNHRC is the principal inter-governmental body within the United Nations system responsible for strengthening the promotion and protection of all human rights around the globe. Comprising 47 member states, this committee has the authority to investigate allegations of human rights breaches, make recommendations, and dispatch fact-finding missions.

Delegates in the UNHRC will be plunged into the heart of moral and legal debates, tackling pressing issues of human dignity, systemic injustice, and the protection of fundamental freedoms in a world where they are constantly under threat.

COMMITTEES

UNITED NATIONS COMMISSION ON THE STATUS OF WOMEN (UNCSW)

**AGENDA: STRENGTHENING GLOBAL ACTION AGAINST GENDER-BASED VIOLENCE
WITH A SPECIAL EMPHASIS ON ONLINE HARASSMENT OF WOMEN AND GIRLS.**

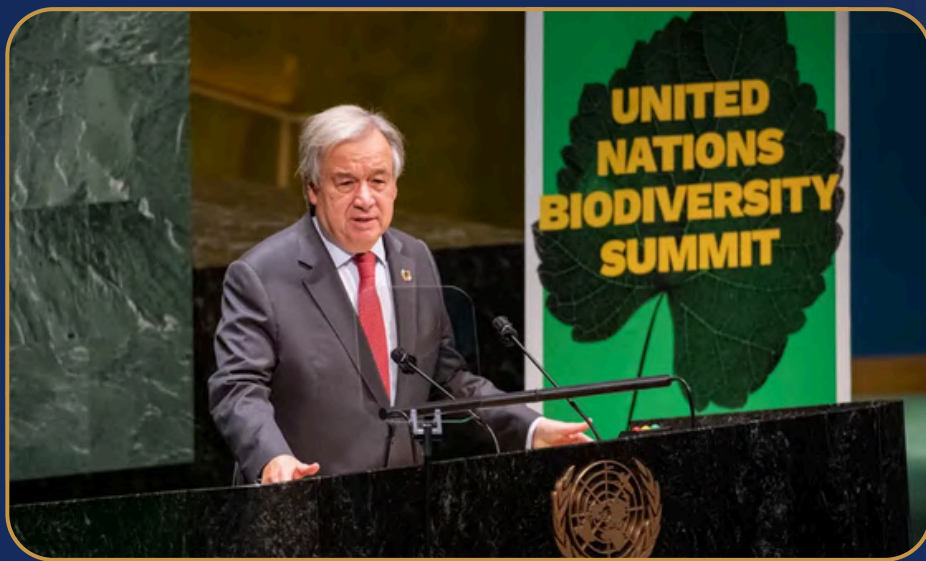

The UNCSW is the premier global intergovernmental body exclusively dedicated to the promotion of gender equality and the empowerment of women. As a functional commission of the Economic and Social Council (ECOSOC), the UNCSW is instrumental in setting global standards and formulating concrete policies to protect women's rights and realities worldwide.

Delegates will have the critical task of examining systemic discrimination, violence against women, and barriers to equality, with the goal of creating robust legal and social frameworks to ensure a more just and equitable world for all.

COMMITTEES

UNITED NATIONS ENVIRONMENT PROGRAMME (UNEP)

**AGENDA: STRENGTHENING GLOBAL LEGAL FRAMEWORKS ON CHEMICAL AND
HAZARDOUS WASTE MANAGEMENT**

As the leading global authority on the environment, UNEP sets the global environmental agenda and serves as an authoritative advocate for the natural world. This committee is at the forefront of the fight against climate change, biodiversity loss, and pollution.

Delegates will be challenged to move beyond political posturing and develop scientifically-informed, legally-sound, and financially-viable solutions to our planet's most urgent ecological crises. This committee is perfect for delegates passionate about international environmental law and sustainable development.

COMMITTEES

NATIONAL SECURITY COUNCIL (NSC)

AGENDA: CLASSIFIED

This is the ultimate test of diplomacy, strategy, and adaptability. The CCC is a small, fast-paced committee designed for experienced delegates who thrive under pressure. Unlike conventional committees, the agenda is classified, and the simulation is driven by real-time crisis updates. Delegates will not represent nations but rather individual figures within a specific cabinet, council, or historical body.

You will be forced to react to assassinations, military invasions, natural disasters, or political coups at a moment's notice, using personal directives and committee-wide communiques to shape events as they unfold.

COMMITTEES

INTERNATIONAL PRESS CORPS (ICP)

AGENDA: RECRUITING JOURNALIST, PHOTOGRAPHERS AND CARICATURISTS

The IPC is the eyes, ears, and voice of the conference. More than just observers, members of the press are active participants who hold delegates and committees accountable. As a Journalist, you will investigate leads, conduct interviews, write breaking news articles, and publish editorials.

As a Photographer, you will capture the defining moments of the conference, from tense negotiations to public speeches. As a Caricaturist, you will use satire and art to provide sharp political commentary.

The IPC shapes the narrative of the entire simulation and is essential for any student interested in media, ethics, and politics.

PARTICIPATION

ELIGIBILITY

Participation is open to students from any recognized school and Undergraduate (UG) and Postgraduate (PG) students from any recognized University.

PARTICIPATION FEES

Registration fee with Accomodation	Rs. 2500
Registration Fee without Accomodation	Rs. 1500
Institutional/Contingent Registration with/without Accommodation	Interested Institutes/Contingents are requested to kindly contact the organising team for details and instructions regarding registration.
